

Strategy 2024-27

We have developed a three-year strategy which will enable “Provision of quality compassionate support to people at their point of need”, We are a diverse organisation operating in a range of settings. We aim to support as many people as we can with a focus on the following strategic intentions:

Excellence in our Delivery

Recruit and retain the most capable individuals

Enhance the well-being and development of our team

Communicate more effectively

Ensure financial health and viability

Understand and respond to service user needs

Strategy

2024-27

Excellence within our Organisation

Provide inspirational strategic leadership

Maintain the high level of standards across the organisation

Remain person-centred and maintain a positive culture of excellence, integrity and respect

Excellence in Sustainability

Grow our financial resources

Diversify our sources of income
